"Learn how you can join us today!"

"Launch your Coding Career with ComforceHealth"

Our motto for success is Training, Mentoring, and Monitoring

Training

We have a team of credentialed ICD-10 trainers and auditors with skill sets that include IP, SDS, ER, E/M, and pro-fee coding.

We work with you through our established Coding Academy program to help you succeed from the start.

You'll complete an exam to validate your coding proficiency in ICD-10 CM/PCS.

Mentoring

We support your ongoing development with reviews, mentoring, and education to enhance your coding knowledge.

Monitoring

We will ensure the right start. You will join an experienced team at one of our coding operations centers. Here, auditors and other coders will monitor your work to make the transition to staff coder seamless.

Leadership Committed to your Success

Our Coding Academy is led by our Director of Coding Services, Angela Thomas, MLIS, RHIA, CCS, who is a credentialed and seasoned health information management professional.

Our team of coding compliance and education managers are

here to support your success by providing coding guidance and mentorship.

We will work with you to develop your skills and assist you in becoming a well-rounded medical coder.

About Our Program

The ComforceHealth Coding Academy, centrally located in Atlanta, Georgia offers 12-15 week hands-on coding programs designed to help new coders build their coding skills in specialty areas of inpatient or outpatient coding. After the initial training, we will work to place you with a healthcare client, so you can experience coding in a live environment. After placement, we will continue to stay in touch as we are committed to your success!

Criteria for entry into the Academy includes: completion of an approved billing/coding certification program, college level courses in anatomy and physiology, medical terminology, and/ or pathophysiology.

If you are driven to creating a promising career for yourself, the ComforceHealth Academy is for you! Not only is ComforceHealth dedicated to your success, but as a leader in the healthcare industry, we are able to provide you with many exciting opportunities.
